Skin Precision Treatments

We love to share our secrets to bring back your confidence and beautiful skin.

Rebalance and Calm

MMA (marine algae) \$92 (60min)

To rebalance and refine an unbalanced skin this treatment will energise and detoxify. Naturally rich in trace elements and minerals to stabilise and heal combination, oily and acne skins.

Cold Marine \$96 (60min)

A cool, vasoconstriction mask designed to oxygenate, refresh and calm the skin. It will reduce redness and remove irritation present on reactive or rosacea skins.

Rehydrate and Refresh

Hydra Moisture \$96 (60min)

Rich in marine nutrients this intensive hydrating treatment is fresh and enveloping. Perfect for all skin types this treatment will give your skin a big drink of water.

Serious Supersonic \$98 (60min)

This treatment makes your skin feel like it's breathing again. Using radio frequency waves to deeply draw from the deepest layers of the skin this unique technology brings your skin back to life. Incorporated with a mild lactic peel (even suitable to the most sensitive skins) we unclog, degrease and draw out impurities from the roots. Provides results for any skin concern. Serum infusion using micro current which kicks up collagen and elastin production. Hydrates, tightens and tones.

Replenish - Regenerate

Multivitamin Power Rec. \$96 (75min)

Highly exfoliating, brightening and nourishing this treatment will not only give your skin a big dose of vitamins but will also increase cell renewal by up to 38%. Great for dull, devitalised or sun damaged skins.

Detox Oxygen Booster Facial \$96 (75min)

An intensive double infusion treatment that incorporates a "cold effect" detox with a 'warm effect' rubber mask infusion with triple anti-free radical protection. This skin treatment boosts cellular respiration, repairs damage caused by pollutants and restores radiance and hydration to dull lifeless skin. Bring your skin back to life.

Medi Facial \$130 (60min)

A power treatment to rejuvenate, replenish, renew and revitalise almost any skin type and concern. This treatment includes a mild lactic peel which can be increased in strength as your skin changes, a hydrating gel mask infusion and serum application suited to your skin type and concerns.

Rejuvenate and Rewind

Collagen Velvet \$130 (75min)

Max hydration, max plumping. With active marine collagen infused into the skin this intensely hydrating treatment will instantly plump and immediately rejuvenate. This beauty flash treatment smooths out fine lines and deeply hydrates, perfect for special occasions.

Brightening Treatment \$130 (75min)

For pigmentation and sun damaged skins this treatment is designed to restore clarity, purity and tone. Radiance is restored through stimulation of the skins underlying support network to minimise pigmentation and gradually lighten, smooth and regulate melanin production.

Age Smart Treatment \$130 (75min)

Give your skin an instant boost. This treatment combines two facials in one targeting rejuvenation, regeneration and restoration of the skin. A potent cocktail of multivitamins and hydroxy acids will exfoliate the skin and increase cell renewal. Unique rubber mask infusion to deeply penetrate active serums and masks into the deeper layers of the skin.

Exceptional Care \$130 (75min)

The crème de la crème of facials, this treatment will deliver the ultimate in anti-ageing. Targeted at skins experiencing menopausal changes. Combat wrinkles, restore radiance and nourish the skin with this stunning first class treatment.

Microdermabrasion

Micro is a gentle non invasive skin treatment that results in smooth, fresh, clear skin. Results are noticeable instantly.

Standard Micro \$90 (20min)

Gentle Skin Buffing Treatment

Micro 35 \$110 (30min)

Micro followed by a hydroxy acid exfoliation – for that deep down clean to break down congestion and clogging.

New York \$125 (45min)

Bring back that glow. Our most popular treatment ever. For serious brightening and skin smoothing effects. Micro, Vitamin C infusion and Vit C firming mask.

LA Express \$135 (45min)

Does your skin need to take a break? Micro plus Vitamins A, B and C infusion to target all skin concerns. Vit A to stimulate cell production, firmness and elasticity, Vit B to give your skin that super boost and C to brighten and stimulate collagen production. Followed by pharmaceutical strength Vit C mask.

Micro Deluxe \$145 (60min)

Clogged, congested and dehydrated? This treatment is for you. Double cleanse, micro, AHA/BHA exfoliation and hydrating gel mask to deeply clean out, de-clog and replenish your skin.

Collagen Infusion \$150 (60min)

Plumping, hydrating, soothing and smoothing. If your skin is in some serious need of help then this treatment will fix you up! Double cleanse, Micro, plumping marine collagen infusion and moisture.

Manhattan Magic \$165 (60min)

Just like the city that never stops, this intense treatment just doesn't stop giving. Vit C plus AHA treatment to intensify the Salicylic peel. Micro to deeply unclog and decongest the skin. Firming Vit C mask and serum application for the most serious brightening and anti ageing treatment.

Reduces fine lines, wrinkles, sun spots, promotes skin renewal, stimulates collagen, adds luminosity and restores strength.

Skin Peels - For Serious Results

Skin peels are a great way to treat most skin problems from ageing to acne, scarring to skin rejuvenation. Our peels are only performed by trained, senior therapists who have all experienced the treatments themselves. A must for those wanting seriously serious results.

Salicylic or Glycolic Gel Peel \$72 (30min)

A gentle yet effective introduction to skin peels. Designed to smooth the skin, reduce congestion and help fade hyper pigmentation this peel will gently remove dead skin cells with no downtime what so ever.

LactoBotanical Peel \$100 (30min)

The Beauty House staff favourite. Available in different strengths (30%, 40% and 60%*) to suit even the most sensitive of skins this peel will not only smooth out the surface of the skin but infuses hydration into the deeper layers of the skin resulting in a refreshed, plumped and brightened skin tone.

Jungle Brew Peel* \$120 (30min)

Containing extracts from the Amazonian jungle this peel will deliver unsurpassed results to combat acne and congestion. Will calm irritation, kill bacteria, remove dead skin cells and achieve pure, clear, healthy looking skin with minimal downtime and maximum results.

Pigment Punch Peel* \$120 (30min)

Containing Tyrosinase inhibitors to control melanin production diminish hyper pigmentation and restore clarity, this peel is specifically targeted to sun damaged, pigmented skins to alleviate discolouration and even out skin tone and texture.

Jessner Peel* \$140 (30min)

A potent cocktail of skin peeling acids this peel is a must for those who crave serious results. Combining salicylic, lactic and citric acids this modified Jessner safely delivers amazing results. Perfect for skin rejuvenation, decongesting and resurfacing the skin. (Andrea's Fave!)

Timeless Peel* \$190 (30min)

A treatment peel which works on the basal layer of the skin. This treatment contains Vitamin A – a potent anti-oxidant which destroys free radicals and inhibits enzymes which breakdown collagen resulting in premature ageing. It will encourage cell turnover and stimulate the production of new collagen assisting in firming the skin. It also helps to breakdown dermal pigmentation and regulates oil production.

***Note:** These peels require specific skin prepping and consultation required prior to peel treatment.
